Position: Stakeholder Engagement Intern
Company: Kongiwe Environmental (Pty) Ltd
Type: Permanent
Location: Bryanston, Sandton, South Africa
Closing Date: 31 December 2023

Contact: careers@kongiwe.com

About Kongiwe:

Founded in 2016, Kongiwe's purpose is to solve environmental and social challenges by providing expert bespoke solutions that promote current and future sustainability globally.

Head-quartered in Johannesburg, South Africa, with offices in the mining and finance hubs of the United Kingdom and Canada, our team of professional Environmental and Social Scientists are highly trained in various environmental disciplines and have significant, direct experience in an array of projects across various industries, especially in the mineral resources and renewable energy sectors.

With a unique client-centric focus and rigorous quality control processes we are proud that most of our clients are repeat clients. This has led to long term relationships where we are considered trusted partners in our clients' sustainability journey. Kongiwe has executed numerous large scale, scientifically complex and socially sensitive ESIA and advisory projects. The scale and complexity of these projects has embedded high quality project management skills as well as integrated thinking in our processes.

Job Description:

Kongiwe is looking for a Stakeholder Engagement Intern, the ideal candidate would be a graduate.

Responsibilities will include:

- Assisting with Stakeholder Engagement processes in support of ESIA projects
- Strong organising skills / logistic skills / attention to detail,
- Assisting with document control,
- Effective communication skills,
- Good computer skills MSWord/Excel/PowerPoint,
- Some knowledge and understanding of public participation processes will be an advantage.
- Consulting with Stakeholders and Competent Authorities.

Qualifications, experience and credentials:

- Suitably relevant tertiary post-graduate qualification,
- No prior work experience required,
- Valid driver's licence,
- Valid passport and willingness to travel,
- Strong written and verbal communication skills,
- Commercial and entrepreneurial acuity.

Salary:

A competitive remuneration package will be negotiated with the successful applicant.

Whilst we aim to acknowledge receipt of applications, any application not responded to by 31 January 2024 should be considered unsuccessful.
